THE SUMMIT

AXIUM

BE A TRAILBLAZER

The Summit meeting is our yearly axiUm customer appreciation and product launch event. Every year, axiUm users present on how they are improving workflows, achieving new goals, and continuing research with the help of axiUm. General presentations are held during the mornings while breakout sessions are held in the afternoons. Attendees are composed of Deans, I.T. Directors, Clinical Directors, Dentists, Instructors, Financial Directors and high level influencers.

ABOUT AXIUM

axiUm is a dental software solution designed to help Universities, Colleges and large multi-location practices manage their clinic operations, patient care, electronic records and research. Used by over 85% of all North American Dental Universities, axiUm is a leader in Dental Academic Education Management. Certified as a modular EHR by ICSA Labs, axiUm's certified edition is the only software system needed for eligible providers to receive federal Medicaid/Medicare incentives.
